

## Residency Status Application

Under North Carolina law, only bona fide legal residents (domicillaries) of North Carolina are eligible to attend the North Carolina School of Science and Mathematics. *Non-residents are ineligible for admission.* Copies of the applicable law and of implementing School regulations are available for inspection in the NCSSM Office of the Executive Vice President. The controlling North Carolina statute, G.S. § 116-235(b)(1), requires:

“The School shall admit students in accordance with criteria, standards, and procedures established by the Board of Trustees. To be eligible to be considered for admission, an applicant must be a legal resident of the State, as defined by G.S.116-143.1(a)(1), or a student whose parent is an active duty member of the armed services, as defined by G.S. 116-143.3(2), who is abiding in this State incident to active military duty at the time the application is submitted, provided the student shares the abode of that parent; eligibility to remain enrolled in the School shall terminate at the end of any school year during which a student becomes a nonresident of the State.”

Policy set by the Board of Trustees requires that the School “enroll only students whose custodial parent or legal guardian has established permanent legal residency in North Carolina by December 1 of the school year in which the student applies for admissions and who otherwise meet the admissions criteria of the School. To be classified a resident for admissions and attendance purposes, you must furnish such evidence as the School may require to enable it to make such classification.
